For any questions regarding your doctorate program in Wuppertal, please feel free to contact: zgs@uni-wuppertal.de

Application for admission

The following documents need to be included with your application for admission to a doctoral program at the University of Wuppertal (BUW). These must be officially authenticated copies (photocopies, duplicates or transcripts) of the original documents and, if the documents are not written in German or English, must be accompanied by an officially authenticated translation:

- completed application form (www.uni-assist.de/downloads/antr_auf_zul_stud.pdf)
- curriculum vitae
- official transcripts of records of your bachelor and master studies
- official degree certificate(s)
- abstract of your master's thesis
- certificate of proficiency in German or English depending on the language of the doctoral program.

For enrollment as doctoral student you also require

- an official letter of acceptance from the doctoral examinations board, naming your supervisor and specifying the language of your doctoral program (German or English).

Registration/enrollment deadlines

- for current winter semester end of October
- for following summer semester end of March
